

A collection of CANO products is displayed on a white surface. In the foreground, there are three meal prep containers. The largest one on the left is filled with a salad of green and purple leafy vegetables, topped with sliced cucumbers and a dressing. To its right is a smaller container with a similar salad. In the bottom center, a third container holds a meal with orange-colored items, possibly sweet potatoes or carrots, and a small portion of salad. In the background, there is a clear plastic smoothie cup with a black lid, containing a light-colored smoothie. The lid has the CANO logo and the text 'cano co @canocompany'. Next to it is a black water bottle. The overall scene is brightly lit, creating soft shadows.

# PORTFOLIO OF CANO PRODUCTS
